

WORLD CLASS FURNITURE

UNIQ
FURNITURES

Quality policy:

UniQ furniture is committed towards producing furnitures with unparalleled quality and craftsmanship. We ensure that every product meets international standards and defines quality solid wood furniture for life.

Our in-house testing includes salt spray test, strength and durability test, cling strength test, moisture content test, etc.

Environmental policy

Our environmental policy is a key element of our corporate philosophy. We are committed to reducing our environmental impact through intelligent design, conservation, and recycling. We believe the best way to conserve environmental resources is to design and manufacture furniture of such impeccable quality that it will last for generations. Nothing is more wasteful than disposable furniture.

Design:

Our in-house design team has the experience, passion, qualification and the keen insight to cater to your requirements ranging from minimalist designs to neo-classical masterpieces.

Design your own:

Have you ever imagined owning furniture that you designed? We make your designs customized quality creations. Help us by giving us an idea about your design and we will bring it to life.
